

Advantage 1000

Wandering Resident System

Part # A10003900

Description

The Advantage 1000 Wandering Resident Exit Panel is a microprocessor based unit that recognizes pulsed signals sent from Secure Care transmitters. Standard operation is open to normal traffic flow and will alarm only when a monitored resident exits through the door. It is also able to perform a variety of Perimeter Alarm and Access Control functions by becoming an armed door during the hours of your choice and alarming if any unauthorized entry or exit has occurred.

Features

- Perimeter Alarm Capability
- Elevator Lockout Capability
- Battery Back-up Included
- Built-in Audible Alarm
- Volume Control Off/Low/High
- Anti-tailgate Feature
- Two Dry Contacts
- 12-Digit User Interface Keypad
- User Programmable Entry Codes
- Selectable Escort Time
- Includes Remote Keypad Connector
- Microprocessor Controlled

Electrical Specifications (Exit Panel)

Input Power	9V DC, 200mA Plug-in Wall Adapter
Nurse or Elevator Relay	35V DC, 1 amp max.

Exit Panel Includes:

Item #	Description	Qty
990	Blue Membrane Keypad	1
1536	9V Rechargeable Nickel-Hyd	1
1985	9V DC 200 mA Power Supply	1

(All unit dimensions are approximate.)

Construction Specifications

Faceplate	Painted Steel Faceplate (20 Ga.. or .036")
Mounting	Flush or Surface Mount (see additional required equipment on reverse for mounting box information)
Terminal Connections	Screw Terminal Block, Side Wire Entry
Exit Panel Components	Through Hole Mounted Components, PCB Assembly
Interface Capability	Various Nurse Stations, CCTV, Paging Systems and any other device which may be triggered by a dry contact

Prepackaged Kits

Advantage 1000 Single Door Kit		907	
Advantage 1000 Double Door Kit		908	
Kits Include:		907	908
429	Antenna Wire	10'	40'
427	System Wire	20'	20'
A10003900	Advantage 1000 Exit Panel	1	1
699	Scepter Antenna	1	2
1922	Single Door Contact	1	2

Additional Equipment Required

Mounting Box for Exit Panels	
Flush Mount Box	A10000210
Surface Mount Box	401

Optional Equipment

4 Channel Nurse Station	203
8 Channel Nurse Station	204
Mounting Box for 4 Channel Nurse Station	
Flush Mount Box	A10000210
Surface Mount Box	401
Mounting Box for 8 Channel Nurse Station	
Flush Mount Box	449
Surface Mount Box	448
